“ I met Jason about a year ago-At first he was very talkative and loved sports. Then, he became more reserved-guarded around certain folks. After getting to know him, he and I loved talking sports (especially Twins, Vikes, Wild) and hew would happily greet me. I am sad to hear of him dying so young. He was good to his customers as well. I will miss him. Peace to the Hyllesteds. - Jeremiah, from work.
