“ I was Jason's physical therapist when he was a little guy. I am so very sorry about your loss. Though it was over 15 years ago, I remember coming to your home and enjoying the twinkle in Jason's eye. I also remember how he was surrounded by a wonderfully supportive family. I wish I could have been at the service to personally convey my condolences. Take care of yourselves and hold all the wonderful memories of Jason in your heart. Janise Bader
