“ I do not think I will ever believe this has happened. It just does not seem true. When I try to believe it...I fall apart, I really think I am going to run into you. Somehow I get shaken back that you are gone, and I yell at myself, I SHOULD OF SAVED YOU!!!! WHY DIDN'T I REACHOUT??? I hate that you are gone from us, it just sucks!!

“ In 6th grade, at Island Lake Elementary, I remember in Science Jason was squirted with water from a syringe. Since he thought it was me that squirted him, he punched me. I then punched him back, and we were friends for good. We also chuckled about that incident many times years later. Jason was always energetic and had a humorous personality that was admirable, and possessed a good heart for others.

I am deeply saddened to hear about this loss and only have thoughts and prayers for the loved ones he will not be able to share his good spirit with any longer. We are "all one" and will be reunited some day.

“ Dear Mr. & Mrs. Supino. I am so sorry to hear of Jason's passing. He went to school with our daughter Jill and took her to the Totino Grace Senior Prom. They were a wonderful looking couple. Unfortunately Jill passed away 2-1/2 years ago from breast cancer. My deepest sympathies to you and your family. I understand when your child passes away before us. We will pray for you.
