“ *So sad to hear of the passing of a good friend from my past. I graduated with Jay and spent a good portion of my time in Viet Nam with him. "Sugar Bear" as he was known by most of his comrades. I have thought of him often over the past several years, wondering where he was and what he was up to. Having him there in Viet Nam from my first day until he left to go "home" made my stay there a lot more bearable.*

With deepest sympathy, Steven Harder.

“ *Dear Toni and family, so sorry for your loss. Wish Jay would have had more time to enjoy his retirement. I have good memories of Jay from the bakery. He had a good sense of humor, always took time to say hello, helped me out a few times, an all around nice guy!
With deepest sympathy, Ray Eggert*
