“ When I think of Jean, my first thought is of her big beautiful smile. She was so warm and welcoming and fun. I remember the first time I met her I thought she must have looked like Miss Sweden in her youth - so so pretty. But then as I got to know her, I realized her true beauty was on the inside. I cherish my many fond memories of Jean and feel blessed to have had her as a friend for almost 40 years. My deepest condolences to the Feroe family. I pray you find peace and comfort in all the wonderful memories of your wonderful mom as you celebrate Jean's long, full life.
