“ I uploaded a photo of Gramma Jean "Biker Chick". Over the years Dixie & I had so many memorable times with both she and Ray. After Ray we still had Jean, but now there is a void. I still chuckle about the time a group of us had gone motorcycling, Jean as my passenger. We got to Minnetonka Drive-In, dismounted, and Jean took off her helmet and asked "what's the deal with you groping my leg"? Well, Jean road lightly and was undetectable as a passenger. That cycle had no passenger back rest and she rode from the Ox Yoke to the drive in and never held on to me. I was concerned she had fallen off and was finally relieved when I reached back and found her leg!

“ *My dear friend Jean,
I already miss you. I go to pick up the phone and check in with you.
So many memories I wil keep in my heart forever. Thirty years, a lot
of great times and some bad. You were a fighter and ran the good
race. There will be a void in Ned and my life with you gone but will
live in our hearts.
Kevin, Craig and Todd, I am so sorry to you all. Your mom was so
proud of each of you, all in very special and different ways. Family
was the number one thing with her.
Peace and comfort to you and your families and to all Jeans
brothers and sisters.

We will also miss your Mom, my Sister, Jean. It doesn't seem possible that she has passed away, to me either, even though we all have been trying to prepare for this time, it is never easy to let go of someone we all loved so much! I am so proud of my Sis, she fought so hard to stay with us, but the fight of cancer just became more than she or anyone could win. The courage and dignity that she died with should teach all of us a few lessons. She always was a "Beautiful Lady" inside and out and she died as that same Beautiful Lady we all knew and loved! I only wish that I will be that strong and courageous when my time comes to join her and all of our loved ones that have already gone on. She is greeted in Heaven by alot of Loved ones, especially her love of her life, Hubby Ray! Wow! what a Happy reunion that makes. To know that, helps me deal with my loss of her, a little easier. I hope it helps all of you some also. Keep those great happy memories alive and close, and turn to each other now for comfort and support. I hope that you will all grow even closer with this loss, and not distance yourselves from each other. You are all very special people, and need to keep that family bond close and strong! We are always here for you, just a phone call away, please feel free to contact us if there is ever a time we could help or just be listeners when you need an ear, ok? Love and Prayers are sent your way today and always! Your Aunt Barb and Uncle John
