“ Dear Rex and Family:

I am the daughter of Tom and Jeanie Condon, and the niece of Jean's longtime friends Dick and Kathy Rowley. Please know how shocked and saddened I am to read of Jean's passing.

Rex, you and Jean attended Mom's wake last November. I will never forget your presence. Even though I was not able to visit with you much, remembering that you were there was comforting beyond words.

*My husband Brian and daughters Bridget and Paloma last saw Jeanne on the 4th at Dick's birthday party. Brian and I spoke at length with Jean about childcare issues with Jean. We were feeling guilty that I, a stay-at-home mom, was leaving Paloma one day a week at a home daycare facility. Jean gently suggested we leave her there TWO days a week, saying that because there were no grandparents to help us out, we deserved that break. (Great advice from a dedicated, caring grandma whom we know spent lots of time enjoying her grandkids so their mom and dad could take a rest!) We followed Jean's advice; and EVERY day that we drop Paloma off at daycare, we remember Jean's wisdom. What a sweet, genuine person she was. So glad we knew her. We are thinking of you all.
