“ I had the pleasure to have Jean as my aunt. She was always generous, calm, sensible, had a good sense of humor, and was a good and loving person. I was lucky enough to go to a Micheal Buble concert with her once. Wish I got to spend more time with her over the years. She will be greatly missed!

“ From brother Dale and WISCONSIN family.

I remember Jean for her gracious treatment when Jim and I would watch the Viking games in her living room...She always had "way to many" snacks like pizza, pie and ice cream, pop, etc....At the end of the game she would always send us home with most of the leftovers...Jean loved football ! Unusual for a woman.

Jean had a very generous nature both with her money and her time...I believe she gave her sister Karen a place to stay when Karen was looking for work in the Twin Cities...She was also very handy around her home...Jean built the deck on the back of her home in Bloomington...She shoveled snow and mowed the grass...

My son Jim and I went with Jean to a "Syttende Mai" (seventeenth of May) celebration in Woodville, Wisconsin celebrating our "Norske" heritage...Little Town! Big Celebration! Again Jean willing to spend her time with others...Jean was always willing to give of herself...She leaves a big hole!

“ I had the pleasure of working for Jean at USB during the 1990's and early 2000's. I first worked as her secretary when located in the old Pioneer Endicott building in downtown St. Paul. I worked for Jean about 7 years—the best years for me at USB! I retired from USB in 2004. During that timeframe Jean encouraged and motivated me to go back to school and earn my 4-year degree. True to her word, once I finished promptly promoted me out of the secretarial field and into a job in her group that was so much more challenging providing me with the best opportunity I ever had at USB! She paved the way for me to have a better life on every level. I will never forget her kindness and her great sense of humor! She was the best of the best! Lucky me having her as my mentor and manager—her life well lived! My condolences to her wonderful family. Ginny Joseph

“ Jean will be sorely missed at our Brainerd get-togethers and Zoom calls. I enjoyed her smiles and laughter, sharing a room at Rutgers, and sneaking a cigarette while we both were quitting. I will miss you Jean! My condolences to her family.
