“ *My childhood is full of wonderful memories at the lake. Swilmming, fishing and riding mini -bikes. Aunt Jean always had the fridge full of Mountain Dew and the cupboards full of snacks. As Kids we had it made up there. As an adult I would visit her, and she would tell me stories of her travels, and we would discuss some of her other interests like doll collecting and gardening. I learned to appreciate her the more I got to know her. I will miss her. Love, Dawn*

“ *Jean and Ray were such great friends. So many summers at Knife Lake, bonfires, fishing, good friends around. Many happy memories. My heartfelt sympathy to you all.*

“ I remember my aunt Jean always happy when we visited. She never yelled about dirty shoes or running or being too loud. Her house was always fun. Toys of every shape and size from minibikes to snowmobiles and boats. I remember learning to water ski and appreciating horsepower. Laughing a lot leaving tired. I miss and Love her. Scott
