

## Jean Sherwin

August 24, 2009

Sherwin, Jean (Prom) age 73, of Edina, MN died on August 22, 2009 at "Sunrise of Edina". She graduated Magna Cum Laude from Minnesota State University, Mankato in 1957. Joan worked for the Faegre & Benson Law Firm as a Legal Assistant. She is preceded in death by her parents and son, Mark. Dearly beloved by her husband of 50 years, Robert; son, William; sisters, Alice Engdahl, Constance Johnston; nephews, David Sherwin, Ben Johnston; and niece, Sarah Aldinger. A special thank you to the ECLC Pastors and Peggy for their caring love that helped give meaning to Joan's life to the very end. We are grateful to the team members of Sunrise of Edina and Fairview Hospice for their thoughtful professionalism. We owe much to Dr. Alvin Holm of Bethesda Hospital who, due to his expertise, took away much of the domination of LBD. Thanks to volunteer Dennis Shogren who provided piano music for Joan to sing to and to the recordings he sent to her at Sunrise. Joan sang and listened to his CDs up to her last day. Joan excelled in learning and also in being a wife, mother and mentor. While the disease that afflicted her at times caused her pain and frustration, it gave us a long farewell which was filled with moments of joy. With those people noted above and other dear friends, we have been truly blessed. Funeral service 11 AM Thursday with visitation 1 hour prior to service at Edina Community Lutheran Church, 4113 West 54th St., Edina.
