Smith, Jean 73, of Edina, MN and formerly Maple Grove, MN, died Sunday November 5. Jean or "Jeanie" as she was known to her childhood friends and family in Frederika, Iowa, was born in Waterloo, Iowa to C.W. and Bea Davison. She graduated in 1962 from Tripoli High School in Tripoli, Iowa. She attended Humboldt Airline School in Minneapolis and shortly thereafter worked for North Central Airlines. She was skilled on the sewing machine making wedding dresses and accessories for her daughters and daughter-in-law. She loved music, played the piano, enjoyed gardening and reading. Jean raised three children with her husband of 49 years, James M. Smith, originally of La Crosse, WI. She also cared for nearly 100 infant foster children over a 25-year period with Lutheran Social Services. She taught the gifts of selflessness and empathy by providing a loving home for infants in their first weeks and months of life. Jean is preceded in death by father C.W. Davison and sister Jan Davison-Engle. She is survived by her husband, James; children Tamara (Mike) Carisch, Michael (Terri) Smith, and Jennifer (Olaf) Strand; mother Bea Davison; sister Barb (Jim) Scherr; grandchildren Luke, Gracie, Sylvia, Samuel, Jackson, Evan, Annika; relatives and many friends. “ My husband is a cousin to Jean's mother, Bea Davidson. As Duane's wife I think I only met Jean one time. But, my most sincere sympathy to her family! She certainly was a gifted person and used her talents throughout her life. We have been so concerned about Bea. We visited with her in Fredrikka 3 years ago. Would someone in the family have time to email me at my email address: cdahl@bevcomm.net and inform us about Bea. Where is she living and just how is her health. She was very hard of hearing when we were there but she loved our visit! Thank you so much!
