“ The Kemp family has been in my life since the early 70's first as the store owners on the corner of the high school, and on to getting to know most of the kids while I worked at AHS. I really don't remember WHEN Jeanette and I became "friends" probably when I became acquainted with FOREVER products. She always had a a big smile and a hug when I came to visit and I was also so taken with all the beautiful and unusual things she displayed in her home so VERY interesting and beautiful. I was just up there a few weeks ago to see her and was sad to see that she was struggling with some new heart problems, but she still had a positive attitude and big smile for me! I was surely sad to see that she passed so soon My blessing to you all in the family and I know you will always miss her, but KNOW that she will always be with you in love!

Good Memories, Nancy Ahlberg
