“ Dear Auntie,

*I cherish the memories when we were young and when we brought the boys up to visit. The beautiful potholders you made, makes me think of you. I also enjoyed our phone conversations about our gardens. Miss you!*

*Love Kathy*

“ Jeanette,

*I miss you sister. I always looked forward to our phone calls. I'll be thinking of you always. All of us are missing you. You are in my heart forever.*

*Love you  
Ginny*
