“ Love, prayers, and our deepest condolences. I didn't have the pleasure of working with Jeanette directly, but by phone (UMN) I came to know her as a truly amazing, patient, and kind woman. When we last spoke, we laughed about maternity experiences, I congratulated her for everything she's accomplished and the upcoming birth of her child. In the midst of this terrible sadness, I want to emphasize she was truly accomplished- and her greatest work is now in your hands. Please love that baby with all your life, and see Jeanette grow with her.

“ I was shocked to hear of Jeanette's passing. I had just spoken with her that week about a problem with a P-Card application. Jeanette always had time to answer my questions, no matter how many I had and did so in a very calm, kind, patient and professional manner. I met her once in person and found her to be as patient, calm and sweet in person as she was on the phone. What a lovely young woman! Those of us who worked with her at the University of Minnesota will certainly miss her!
