“ *Jeanne was always the kindest, most complimentary person!! She never missed an opportunity to say how much she enjoyed our music offerings at Spirit of Hope. She was super proud of her kids and grandkids and she loved it when they participated in the music program with me! Jeanne's personality was infectious! She always had a smile and a story and the love of her life was never far away. I'm sure she wanted it that way as they seemed to always light up in each other's presence. They were a great team. Jeanne's shiny light will be missed but I'm sure she's praising the angel choir and telling jolly stories and is already busy lighting up the heavens with her brilliance!!! Rest in peace, good and faithful servant. You will be missed and always loved.*
