“ I was privileged to take care of Jeanne for almost eight years. After her cousin Jim Olsen died I kept in touch with Jeanne. We had wonderful memories of dining at Perkins quite often. It became apparent Jeanne had memory issues and started going to appointments with her and monitoring her closer. As she progressed it was decided she needed Assisted Living and we looked at places she was already on a list for. She decided on Sunrise of Golden Valley. She took a downward turn and had to get her in quickly which I did. After cleaning out her house thanks to my son and daughter-in-law we sold her house. She did well at Sunrise for going on three years when it was decided she needed Memory Care. Since I had just moved into Eden Prairie Senior Living I moved her here to be close to me. She did well and the staff loved her smile and wonderful singing voice. She fell the Sunday of Labor Day Weekend. Because she hadn't been eating much she just steadily went downhill and passed away September 6th. I would like to thank the Memory Care Staff who took care of her as well as Hospice of the Midwest. What wonderful nurses she had. I will miss her and our visits. She became a sister to me after my husband died and I will always be thankful that I kept in touch with her. Rest in peace Jeanne 🙏 Much love, Sharon
