

Jeanne (Pasch) Petrangelo

May 14, 2012

Petrangelo, Jeanne H. (Pasch) Age 91, of Fridley, died May 11, 2012 in New Hope. Preceded in death by parents Carl E. Pasch and Elizabeth Conner, sister Eileen, and beloved husband Ernest A. "Tony" Petrangelo. Survived by children Mary (Steve) Kowit, Robyn (Patrick) Doty, Elizabeth (Michael Lundebly) Petrangelo, and Carla (Les) Knoke; 10 grandchildren, 18 great-grandchildren, and 1 great- great-granddaughter. A lifelong homemaker with a creative spirit, Jeanne devoted her life to her family. She taught her children the joy of reading, the delights of literature and rhyme. She took us to art museums on Sundays for fun. She wrote poems, painted, and channeled her artistry into sewing matching outfits for four young daughters. She didn't teach us to cook, but she taught us to sew. She loved through action, not words, attending every holiday, birthday, graduation and school play for her many grandchildren and their children. She made a mean meatball. She was a frequent election judge, a founding member of her Church, a member of the Rose Society, and ministered to the elderly. Creative, intelligent, funny and tough, she will be missed by us all. Memorials preferred to St. William's Catholic Church. Funeral Service Wednesday, May 16, 10:30 AM at St. William's Catholic Church, 61st St. and University Ave NE, Fridley. Visitation one hour prior to service at the church and Tuesday 5-8 PM with memory sharing at 7PM at: www.Washburn-McReavy.com Northeast Chapel 612-781-6828 2901 Johnson St. N.E.

“ My sympathy to you all in the loss of your mother. My memories of Mrs. Petrangelo go back to grade school days at Immaculate Conception. My DEAR friend Carla and all of her sisters, and this wonderful mother. Great memories of many adventures we shared together. I would love to have the chance to sit and talk and share old times together. I will remember you all in my prayers.

“ Besides seeing Jeanne and Tony at family gatherings, I remember many times they were on their lake vacations, and they would drive out to visit us. They both believed in saying exactly what they thought. One year they met us in St Cloud for Mother's Day and after the meal, we toured the beautiful flower park just across the 10th street bridge on the Mississippi River.
