“ Dear Carlson family, Prayers for your peace and God's comfort during this time. I have fond memories of your parents at Fairview over the years and especially the friendship they shared with the couples group including our parents. I am grateful for the support and fun they had together. I guess we now are the older generation. I pray that all of your great memories of your Mom will stay fresh in your hearts and take away from the sadness. Love from JoAnn Murrill and the Zimmermann family
