“ *My deepest condolences to Theresa, her kids and the rest of the family. Although in recent years, Jeff/Theresa and my path did not cross, I only have the fondest memories of the wonderful man Jeff has always been. I am so very, very sorry and know that my thoughts and prayers are with you at this difficult time.*

“ I’ve known Jeff for about 22-23 years. He’s gotten a chance to Coach , mentor and such an amazing male role model at such a young age , Shortly after my father had passed away in 2005. Jeff has gotten the chance to watch me grow as a child into a grown man through child hood and high school . Some of the most memorable times of my early childhood, were all of our traveling basketball tournaments (all weekend events). Dave Lawson, Tony Weber and Jeff Ferkinhoff I could not thank them anymore for the amount of time that they spent with all of us as kids not only teaching us about basketball but other aspects in life. I’m just beyond honored. I’m very grateful to have been a part of Jeff’s life as I will forever cherish the memories he has helped create.

Love and prayers to the ENTIRE family

“ I did not get to know Mr. Ferkinhoff, but I have gotten to know his son Ryan well through school. I think it is easy to see that he must have been one heck of a father to help make Ryan the great young man he is today. Please accept my sympathies for your loss.

“ It goes without saying that I will miss my big brother. We had some really deep conversations over the past months and I feel so blessed to have been able to help care for Jeff as he needed more assistance. Thank you (Therese, Jason & Ryan) for opening your hearts and homes -- allowing me to love on Jeff and all of you during this difficult journey. His little sister, Jane

“ Where do I start? My brother, Jeff, could take most anything that was broken down and ready for the garbage and bring it back to life. His patience and mechanical ability was amazing to me! It was a part of who he was, much like my dad. I always admired that about him. A very small amount of it rubbed off on me. Thanks big brother!
