“ Dear Polly, Hannah, and Rose. I am very about Jeff's death. I am thinking about the delightful stories he told about you over the years when he came to my court room for hearings. His love of his family and delight in your milestones and achievements just burst out of him when he talked about you. May memories of that love comfort you always. Donna Fredkove

“*Mary, George and families: I am so sorry to hear about Jeff's passing! He was a great guy. I will never forget his kindness when I first moved to Minneapolis in 1979 and was very lonely. He came over for dinner one night and we had a very pleasant evening of conversation, playing guitar and singing. His kindness reassured me that I would be OK on my own in the "big city." Please know that you will all be in my prayers during this difficult time.*
