“ *I just found out about Jeff yesterday. Jeff was a great guy and i had a blast with him many times. But he sure was into his Yamaha snowmobiles and taught me allot about them. But can't forget he was one heck of a singer especially with the marty songs not only did he sound like him he actually did the same actions on stage like marty. So very sorry to hear about Jeff he will be missed by so many especially the family. My God Bless the Hanna family and Jeff as God welcomes him home. See you on the other side Jeff and rest in peace my friend*

“ I was very sorry to hear of Jeff’s passing, I got to know him from my father in law Jerry Preisen. We had spent many weekends over the years fishing on Mille lacs lake or snowmobiling. One time we were up in Voyagers state park snowmobiling, it was a great time . I really enjoyed watching Jeff play the fiddle and guitar and sing Marty Robbins songs . One weekend fishing on Mille lacs it was getting sort of late and I went into Merle’s van to lay down and relax for a minute. Jeff had the same idea minutes later and came in and laid on top of me without even knowing I was there. It was dark out and he didn’t see me . I startled him by saying “ Jeff I’m laying here! He quickly got up and I got up and went back to my tent . It was pretty hilarious. I am glad I got to know him and enjoy the fun times I had with him , Merle , John and James . May he Rest In Peace.

“ So sorry to hear about Jeff’s passing. I met Jeff and his Family through my late Brother-in-Law Mike ( Sully) Sullivan ( my sister Tammy’s husband ) We would go listen to Merle & The Dudes play often. Jeff was very talented singing ( especially Marty Robbins) and playing the fiddle. I’ve posted a picture of Merle & The Dudes playing at my other sister’s wedding dance in August 1987 at the Withrow Ballroom. Thanks for all the wonderful memories. Rest In Peace Jeff.

*Our Prayers and Wishes of comfort to all of you. I remember all of you well from my younger years esp the many weeks I lived with your family during my Med Training at Old St Paul Ramsey🥺🥺🥺. You were an exciting family with lots of talents. Thank you all for that treasured time. I also had the opportunity to play drums with Duane, Jeff and their Band back in the 70's. A lot great music, fun and def. excitement! My training, family and life separated me from the Hanna's but the memories of cousin Kathy and all of you remains for ever! Good Bless all of you! Stay safe and Healthy with this bad Covid 19! Clark, Gerry and family! PS. I am back playing drums again!*

“ Jeff called me from Mercy Hospital his 1st day there. Told me he had COVID-19 and if he didn't make it he would see me on the other side. I snowmobiled with Jeff and the Hanna boys for over 40years. Jeff had a great voice for country music and played a mean fiddle. Sorry to see Jeff go this young. Jerry Preisen
