“ Jeff and I both went to Burwell School in the same grade. We met a couple of times after we both graduated high school. He always remembered who I was and it was nice to run into him (usually at an antique store). My parents live very close to the Seck house and I thought of him every time i drove past. Rest in peace, Jeff. Peggy Perry

“ To Jeff, If only more knew Jeff as I did, big heart always put others first. Our time in NYC was priceless; Sarge as we called him had a unique perspective on life, a man of the city. To the REVOLUTION my friend. Rest in peace George
