“ I lived a few houses down the block from Jeff. From the first time I met him I could sense he was a special person. Despite not spending much time with him I have learned a lot from him. He gave me a sense of serenity when talking with him and was full of wisdom. He helped me with advice on my training for my first Ironman. We trained together swimming in the lake he lived on. He was a true inspiration to be the best person I could be no matter what obstacles come my way. A true role model. He is a friend I dearly miss.

“ I worked with Jeffrey when he was GM in Bismarck and he truly was such a joy to work with. No matter the situation he was calm and up lifting and always comforting that everything would turn out. My heart breaks for Ann, Jeff's children, and his grand children and I pray the love of God surrounds you during your journey through grief.

“ *My heart just sunk today when I found out Jeffery passed away. One of the best men on this earth. I truly know in my heart that he is in Heaven. I remember when I found out my mother died. I was at work, in shock and tears. Jeffery held my hands and prayed with me. My mother was a true Christian and feel God sent Jeffery there just for me. I will never forget this kind, wonderful, gentle, Christian man. I am proud to say I knew him. God Bless your broken heart Ann.*

“ It can be so hard to face the first year without your loved one, but the love of family and friends can carry you through. We hope you can also find comfort, as we have, in the scriptures. Verses we find especially comforting are 1 Thessalonians 4:13–14 and Revelation 21:4
