“ *Dear Paschke Family,
When I think of Jenna she is the leader in her lane, full of competitive joy, and so impressive for her age. I remember when she first joined the team as a 7th grader and I was so impressed with her hard-working personality and fast swims. As a 17-year-old, I cannot fathom such unspeakable loss. My family and I share in your grief of your beautiful daughter. Know that I will never forget my swim sister Jenna and will remember her for the color purple and how much she truly loved the team. I think we can all learn from her example of living life with enthusiasm, kindness, and determination.
Always sending good energy your way,
Bronwyn Boyce-Erickson & Family.*
