Jennifer Lynn Broms, age 56, passed away on Thursday, April 30, 2026, after a long and difficult struggle with mental health challenges.

Jennifer was the firstborn child of her parents, Priscilla and James, with her brother John and sister Sarah following. She was rigorous, bright, and outspoken with challenges she was concerned about. From an early age, she was known for her determination and willingness to speak up for what she believed in. She brought energy and passion to the goals that she pursued.

Starting as early as high school, Jennifer became a star. She graduated from St. Cloud State University with a major in Theater, where she distinguished herself through her performances in numerous plays and musicals. Among her most memorable roles were productions of *Guys and Dolls* and *Picnic*. She later earned a master's degree in Library Science from St. Catherine University, continuing her dedication to learning and the arts.

Though her life was marked by significant challenges, Jennifer showed resilience in the face of ongoing mental health struggles. Our family is especially grateful to the Veterans Administration for the care, support, and compassion they provided throughout her life, no matter how tough life became for Jennifer.

Jennifer was deeply loved by her mom, dad, brother, and sister. She will be dearly missed and forever remembered by those who truly knew and loved her.
