“ Jennifer was one of my best friends , a true friend, and kindred spirit. She supported me through my most difficult times and to that I will always be grateful. Everytime I see an icee I think of Jennifer. When I first met her she was having one and always loved the flavor grape! Jennifer was like a ball of sunshine and she would give you the shirt off your back if you needed it. I am devastated by her loss and will carry her memory with me always. My prayers go out to Isabel and Joe during this difficult time.
