

Jennifer Leah Platter

February 21, 1959 - February 26, 2020

Jennifer Platter passed into the loving arms of her Savior on February 26, 2020.

Jennie was a nurse and an artist. Her life displayed a loving, caring, and giving spirit, and she will be missed by many.

As we feel the loss of her presence, we recall her saying, "Please remember where I'm going, so be happy."

Jennie wanted her memorial gifts to be directed to Piper Dougall's Go Fund Me page. Her granddaughter, Piper, was Jennie's pride and joy. She is currently on a kidney transplant list at the Mayo Clinic.

Gifts will help Piper with this life changing transplant.

“ *Jennie was my dear friend and teacher. She will live on in the many things that she taught me how to do. Many, many days spent knitting, painting and the eggs decorated with cut glass. We sat silently, sometimes and sometimes watched her favorite police show or I just listened to her talk to an animal she was knitting. I will think of Jennie often and I miss her so very much. She is with me in the little crowd of animals that she gave me especially the little mouse with the pink tu tu and silver wand- my, 'fairy God Mother.'*

“ *Jenni was a camper at Kamaji for many years. Always a smile and willing to help others when a smile or hug was needed. I can still picture her running down the path to the lodge with her friends. Memories we will treasure. Nancy and Bob Jones*
