

## Jennifer Jean-Mobley Rainey

June 2, 1977 - March 24, 2022

Rainey, Jennifer Jean Mobley loved this life. She left it too soon, at age 44, on March 24, 2022. The cause was triple-negative metastatic breast cancer. Jen was a passionate, thoughtful, and creative educator. She taught in three states and earned her Master's in education policy from Harvard University. While studying in Boston, she met the love of her life, Brian. They were married in a castle in his hometown of Belfast, Northern Ireland. Jen brought her energy, thoughtfulness, creativity and zest for life to everything she did - often in the form of themed parties. Beyond all else, Jen loved her daughter, Ava Bel Rainey. Jen, Brian and Ava shared many grand adventures, and relished being together in every moment. In addition to Brian and Ava, Jen is survived by her beloved family: her parents, Brenda and Dave, brother Jordan (with wife Laura), sister Jessica (with husband Kevin, children Kevin III, Madeline, Ebenezer and Eustace) Schlereth. In lieu of flowers, gifts in Jen's memory can be given to Little Hospice ([littlehospice.org/](http://littlehospice.org/)), where she spent her last days impeccably cared for, and surrounded by family. Beloved Jen, "In life and in death, you belong to God."
