“ I loved Jennifer! She was my classmate at Forest Lake. I was not popular, not well liked, not important in our class of 1985 but Jennifer was ALWAYS amazing to me! I loved her smile, character, she was just so joyful..I can hear her laugh now..oh yes and VERY smart! I too had my own battle with cancer. I am so sorry that she did not get healthy again. I pray that the Great Comforter and Healer will bring joy back to you all. May Jesus do great things in your family.
