Jeremy Daniel Varno

November 24, 1995 - November 8, 2025

Jeremy Daniel Varno, Age 29 of Roseville, passed away in his sleep Saturday morning November 8th 2025. Jeremy is survived by his loving family; Dad & Mom Tom & Julie. His sister Melissa and her husband Tony, and of course his faithful dog Finley.

So much to say for a life that ended so sudden and so early.

Jeremy was born in Africa and lived there until the age of 3. This fueled his love for travel and meeting new people throughout his life. He traveled to many countries including: Uganda, Thailand, Iceland, China, Guatemala to name a few.

Jeremy was always a salesman. From getting the neighborhood kids to do his chores for him to selling dogs; becoming one of the top salesmen at his store. Jeremy loved animals in all forms. He would go out of his way to say hi to every dog he came across. Growing up he knew all the neighbors dogs names before we learned any of the peoples names. He had a way of making even shy animals love him.

He grew up playing sports and was a natural athlete. He excelled in soccer and golf. Later in life he found his new sport in frisbee golf.

He loved the outdoors, especially hiking and swimming. He spent hours looking for cool rocks and shells to share with those he loved.

He was playful and funny. Making people laugh was his gift.

Jeremy was an excellent cook. He loved to experiment with new cuisines and flavors. The spicier the food the better. His specialty dish was Indian Butter Chicken.

Jeremy graduated from the University of West Florida, Pensacola with a degree in Business and a minor in Marketing. He excelled in school and made the Deans list multiple times.

After graduating in the summer of 2023, Jeremy wanted to be back home with his family after being away for 5 years. He loved spending time with the family. Game nights were a favorite way to connect with those he loved.

Jeremy grew up going to church, but it wasn't until this last April that he found faith in Jesus; through his many questions he came to realize that he may never have all the answers, but he loved the one who did, namely, Jesus.

Jeremy's life on earth was too short for us but we take hope in knowing we will see him again. He is with Jesus, asking all of his questions and finally getting the answers.

“ I really got to know Jeremy in the past few years whenever he came up to Kyle's family cabin. The 'guys' were so much fun to be around and I remember Jeremy as: kind, funny, gentle and he loved life. I especially remember that Jeremy liked to take his bath in the lake! He loved water and never cared if it was cold... He will be missed by everyone and I will always remember his kind and gentle soul.

“ Our kids' friends become part of our family and Jeremy was a big part of our family. We're so lucky that Jeremy was a part of our lives. Jeremy was quite the home chef, and we loved to trade recipe ideas and talk about different ingredients! Whenever Jeremy came to visit, he always brought a jar of his families famous Raspberry jam, and I would send home some homemade sauerkraut with him.

Jeremy loved the outdoors and enjoyed coming up here to spend time with his best friend Kyle. They fished and hiked, swam and played water games, they played hammerslagen and had many bon fires.

The last time that Jeremy was up here over Labor Day I could tell that he had Jesus in his heart. It was the first time that Jeremy asked to say a prayer at dinner, and it touched all of our hearts...

Jeremy will be missed, and words cannot express the sorrow that everyone is feeling. We will treasure the great times and keep these memories close.
