“ Carol, Ed, Melanie and Monika and families, I was saddened to see today's paper carries an obituary for "Butch" as I will always remember him. My extreme condolences to you all. I love the fact that you mentioned the cat "Darlin". So many years of past memories, especially his love of cats and how he named one of our cats "Clara" so many years and tears ago. May he walk with the angels. Hugs to you all. Sincerely, Margie "Weaver" Bednarek
