“ Dear Family and Friends of Jerome,
I am in shock to hear about Jerome. He has worked here in the E.R.C for 2 years and has become like a big ole' teddy bear. I will miss seeing him at the water cooler on his way back from having a smoke every day. I will miss his sharp and funny comments in our meetings. He made me laugh.
My deepest sympathy is with you now. My thoughts and prayers too.
Mary (Xcel Energy)
