“ *I never met Mr. Pleiss but I am fortunate enough to be a great friend of his son's (Phil). Death, unexpected or expected is one of the hardest feelings we can go through - no words I can say will truly comfort the Pleiss family except that I hope Phil (& others) keep his memory alive as time goes on and talk about all the good things. Sharing helps heal as time goes by. Chris & I are here for you Phil - always. Judy*
