Jerry graduated in 1959 from Roosevelt High School, after which he went to serve with the US Navy and MN National Guard. Retired from a long career at 3M where he held several registered patents, and was most proud of his innovative contributions to Rapid Prototype, the precursor to 3D printers.

He will be remembered for his love of vintage cars, dancing, movies, dining out and deserts. He enjoyed walking around Lake Harriet to see Mr. Little Guy, followed by a burger and milkshake. As a member of the MSRA, he was known for making appearances at local drive-ins and car shows sporting his 1933 Dodge Coupe, or later, his Mazda Miata. Those who were close to him have fond memories of his dancing skills, witty sense of humor and insatiable sweet tooth.
