“ *I remember a cousin that was always very special to me . He was The Godfather to my son Reid . Always gracious and a beautiful singing voice. I have a picture of the two of us ages 1and 2 sitting on our front steps in Winona Minnesota looking like we could be in the cast of the “ Little Rascals”. May he be at peace and giving his parents and sister a big hug. He made the world a better place. I know sadly Nikki will miss him very much.*

“ I remember running in the front door like one of the family. Both Jerry and Nikki were my second set of parents. He was always playing pranks and putting bodies on the front stoop for Halloween. I was able to tag along to California with the family for a summer vacation in the Town and Country and it was the best time. I remember Knotts Berry Farm and the ride Montezuma's Revenge. I am grateful for being able to spend this time with them.

Jerry was a wonderful, caring man, a fantastic dad and grandfather. He will be greatly missed and the world lost one of the good ones. I am praying he is at peace and without pain now.

“ I remember writing letters to Jerry, when he was in the Navy, and he always wrote back to us. We talked about Jerry and Ken working for Mr. Fogerty back in the early days of Circle Pines becoming a village. Paper routes, selling ice cream at the beaches, and setting up bowling pins, were the first of his hard working life. He was a wonderful example to everyone!
