“ There is so many fond memories with Jerry and Lila. I always enjoyed working with Jerry at Coon Rapids Chrysler Jeep. Our kids were very close in age so we had many wonderful camping trips and Christmas's. His passing is such a shock, I remember him so full of life. There are no words of condolence that can sooth the ache of one's heart when feeling the sting that death brings; losing a worthy husband, father, grandfather and friend. I can only imagine while Jerry hung on that sharp edge of life it was he who decided to go forward so he could welcome loved ones to the glory of Heaven when its time follow. We are assured in God's solemn word that to be absent in the body is to be present with the Lord. Until we meet again.
