“ *Brent, Al, and family,*

*My wife and I were saddened to hear the news of your father from Brent yesterday. We did not know how much Jerry had really gone through over the past months. It sounds as though with each operation and procedure, he endured and did not blame. I've heard it stated that God chooses WHAT we go through, but we choose HOW we go through it. What a testimony your father must have been for all of you!*

*Our family with be praying for your families in this time of bereavement.*

*May God Bless,*

“ To Al and family - It's never easy to find the right words to say when there is the loss of a loved one. Just know that many of your friends, of which I'm proud to be, are thinking about you and your family. You have my deepest sympathy. If there's anything I can do to help you and/or your family, I'd be happy to help. God bless you all.

“ My deepest sympathy to Jerry's family and friends. I have many fond memories of Jerry from when I was in Cub and Boy scouts. Swimming in the pool he built in Oakdale, and hanging out in the basement room he remolded. He never seemed to sit down... busy busy. I know he instilled good values and manners in his children. What a wonderful legacy for Jerry.

*May he have eternal peace.*
