“ So very sorry Cathy for your loss and so close to Peter, I had great memories of your family living next door to us on the lake, my mom would refer to Cathrine, and Andy next door and so when my daughter got old enough that's what shed say, I remember your mom button earrings and how she would sweep the grass after it was mowed, sincerely Corrinne DuRose.(Rissell)

“ Jerry was a good man who couldn't share his war experience. I remember walking to high school with him because Andy said riding the bus makes you soft. We played basketball together and we played football in Peter Carr's yard, sometimes with Pete and Kathy. I feel fortunate to have spent a little time with him these last couple of years. Mead Stone
