“ My eyes filled up with tears as I heard the newsIt never occurred to me, how much I could loseI find myself wishing that it wasn't realEvery time I think about it, pain is all I can feelTears fall from my eyes, I can barely seeBut my heart tells me that she'll always be with meI'm glad he feels no pain now-she lives in a perfect landI can still feel the soft touch on my shoulder of her loving handI lie in bed and cry at nightAnd I don't feel any better in the morning lightAnd I will love and miss her foreverUntil the day we are again together.Together in that perfect place above,Filled with caring, sharing and loveBut until that day comes- I will wipe my tears away.And hopefully see her again somedayYou will be greatly missed. We love you

“ *The loss of a love one is so hard to face, you just want to hide, go some where and escape! But death is something we all must go through, I know it's hard, when it,s someone you loved and knew. Just know now she is in a better place. God has called her home to rest!! And she's being well taken care of because God knows best!*
