“ Here was a person that was always cheerful, had a ready smile for everyone and wanted to help out whenever needed. Jessica had a beautiful personality that just brightened your day when you talked with her. Please know that she will be missed by many.

My family and I express our deepest sympathy and our heartfelt sorrows go out to her family.

“ I helped Jessica at Crown for the kindergarten Christmas party. My son was in Belles class. Jessica had many great craft projects and games they played. They all had SO much fun because of her!! She was so kind, fun, and always doing what she can for the kids. I may not have known her well, but I will miss her. My family is praying for your family.

“ Jessica. What an example of Christian motherhood and service. Watching Jessica with her girls at our school, I was always struck by how patient and loving she always was with them. She cared about every detail in their spiritual, social and academic lives. Jessica will be so missed here at Crown Christian School. In the short two years that she has been here, her always humble service to her kids, our kids and our school has left such an impression that she will be remembered for ages to come. Thank you Dan for sharing her with us. I can only imagine that God has blessed her beyond our comprehension in her infinite life with Him now. And He will take care of you, Belle and Emma.
