“ I am sad that I will never see or hear my Auntie Jo laugh again. She always made everyone happy. Or family get togethers were a lot of fun because of her. Her and my Uncle Kenny gave me two awesome cousins. I'm the oldest grandchild and Jim is the youngest. I have fond memories of watching over him at family functions.

I know Dad is happy to see Auntie Jo and I'm glad to know she is at peace.

My thoughts and prayers are with you Uncle Kenny, Bruce, Jim and your families. I love you all very much.

Love Always - Karen Jo

“ The memories are so many. The first was that hot summer day she married Kenny and I was her flower girl, she was the most beautiful bride, She was a second mother to me and She was my mothers best friend. How excited our family was when Bruce and Jim were born, we knew how badly she wanted kids and our family was given the gift of being able to see them often. She was so proud of her boys and told me once they achieved things that she only dreamed of. I never heard my Aunt say a bad word about anyone. I remember the giddiness as a child when we all gathered for Christmas and how we looked forward to her cheesy potatoes (which is a tradition I have continued through all the years and now are enjoyed by my own grandchildren) As time pasted and lives became busier I saw her seldom, especially after my mom past away but Auntie Jo was like A star, ---Even though I couldn't see her, I knew she was there. She will always live in my heart  
Rest in peace Auntie Jo you will be missed,  
Cindy

“ *My Aunt and Godmother, with the great sense of humor. Always ready to share a laugh and a smile. There was no one quite like my Auntie Jo.*
