“ Dear Larry, one of the first times Jill came to the Benson family reunion her n I spent a few hours just sitting on the dock, dangling our feet in the water just talking. She talked so highly of you and how much she lived you. Then when you were sick she kept us always informed. She was for sure your better half. The care you gave each other came deep from your hearts with such love. The love between you two will forever be there. God Bless Jill and her memories and the happiness she brought you. Thank you Jill for all you have done.
