“ Condolences to you all. I send so much love, so many prayers, and sympathy to you all at this time of loss.

I talked with Jill so much in the last couple of years and she truly was a wonderful friend, wife, mother, daughter, and sister.

Jill will be so very much missed by all who crossed her path.

Jill constantly made others laugh through all the pain she endured in the last couple of years. She is truly an inspiration to all. She cared more about making so many others happy instead of dwelling on herself and for that I can only admire her incredible strength. She is a shining star on all of us now. Free of pain with her spirit in all of us. I will miss you forever Jillybean....

“ So sad for my friend (sister) long time friend of our family . She brought laughter , smiles and caring help to my family members . She put her life on hold to help others . Whenever possible . She loved camping and tenting on my mom and dads lake home. She had her own spot grandfathered in . Her children and husband was everything to her. She’s now in the arms of mom and dad . In no more pain and looking down on us . An angel on my shoulder I thank her for being a dear friend . I know she’s watching football and making everyone laugh. You will be missed love sue (Henry) Bickford family
