“ Gerry, Steve, Scott, Greg and All,I once read a quote that went something like this. "Love begins when a person feels another person's need to be as important as his own". I'll always remember Jim as that kind of person as he welcomed me into your family many years ago now. Jim simply was life on earth! That's what life is supposed to be here...isn't it! I've always remembered his jokes, stories and how much he loved...and of course how proud he was of his family. You should ALL be honored to have had Jim as your husband, dad and grandfather. Now it is his honor to be with God in paradise and everlasting life! Carry on his legacy! God bless.
