“ Dear Family,
My sincere apologies for writing this note at such a late date. If you receive this message, I want you to know the great impact your beloved had on my life. She was my mentor at Iowa State as I pursued a Masters Degree in gifted education. In 2006, Joan contacted me and encouraged me to pursue a Doctoral degree. Although I am in this process, I owe so much to her. Please know that I will be thinking of you during this holiday time. Blessings to you all and may you know she was an inspiration to many teachers in the state of Iowa.
