“Joan was always so put together. She wore the nicest outfits and jewelry to match. She shared Pub cheese, apple slices, and crackers with me, and candy. We whined that we didn't have wine with our snacks. I helped her with her new fancy coffee machine (Keurig). She was a social butterfly. She really missed going to the dining room to eat and socialize with friends. I truly miss her, she went too soon. God bless my friend.
