Joan worked nearly 50 years at Montgomery Ward, and then a 6 weeks part time job at Griggs Cooper that turned into 12 years that was her "best, most fun job I ever had"! She always thought she never had any artistic ability, but we pointed out numerous times her knitting, baking cinnamon stars and honey cookies etc., and canning - especially her renowned watermelon pickles were definitely her artistic ability! For many years she went swimming at the Shoreview Rec Center very early everyday except Sundays. She loved playing cards, preferably Bridge and belonged to neighborhood groups and then once moving into Scandia Shores played practically daily. She volunteered over the years at The Griggs House Museum, the Governor's Mansion and St Odilia's Church.

Mass of Christian Burial 11AM Thursday, February 27 (visitation begins at 10AM) at ST. ODILIA CATHOLIC CHURCH, 3495 N Victoria, Shoreview.  
Private interment in St. Michael's Cemetery, Bayport. Memorials preferred to the family so they can distribute to the charities she liked in her name.
