“ *Mama, I don't know how I will ever go on without you. I know you made me strong, but there isn't any level of strength that makes this doable. I have so many incredible memories of you but they'll never be enough. I'll never stop looking for you, picking up my phone to call you, and wondering how my life would be if you were still here. I'll never stop missing you. I'll never stop loving you.*

May Joan rest in peace and I pray that the family has her strength around them during this very difficult time. She was always so kind to me even when I was a royal pain in the butt. She's loved and will never be forgotten
