“ My entire life, particularly the first half is a series of memories of “Aunt Joan and Uncle Darrell” who were like family to my parents, Lollie and Buzz Sawyer and to me. Dinners at Tonka Bay/Lake Minnetonka in their beautiful home, Darrell and Buzz talking cars, long summer days and boat rides on the lake, Christmas Eve dinners and the silver Star Trek Christmas tree, listening to opera and our favorite singers with Aunt Joanie (she introduced me to Roberta, Anna, Robert, Richard, La Traviata and so many more). Their friendship with my parents and several other couples in The Birthday Club is now a complete party of ten up in glory, with the Stanchfield, Lundgrens, Greens, Gabriels and the Sawyers all together at last. So much conversation, laughter and undoubtedly a tremendous feast with music. What a legacy of faith, life and love passed on to us, their children. Psalm 116:15 “Precious in the sight of the Lord is the death of his beloved saints.” Rest well. SDG

“ When I was a child and Sue was my friend I would visit their home. Joan was a warm, upbeat welcoming Mom who always made me feel at home. Her big smile is something I still remember. She loved Jesus and she loved people.

“Joan was a cherished resident at The Glenn in Hopkins. She was a woman of deep faith, sharing her love for singing hymns with her beautiful voice. She would read scripture or have scripture read to her.

Joan was always up for joining any activity, including drawing, painting and cooking. She brought joy to others with her happy, welcoming presence. Joan was complementary to everyone she interacted with. Joan's friendliness and positive outlook is missed at The Glenn. Our prayers are with Joan and her family.
