“ *To the entire Ranallo family,*

*Our deepest sympathy at a very difficult time. Know that she was much larger and stronger than her tiny frame would lead you to believe. It was very obvious how much family meant to her. Be strong for her.*

“ *Dear Rochelle, Tom, Larry and Julie, and all other family members and loved ones,*

*So sorry about auntie Joanie's passing. I have many wonderful memories of her and all of you. All of the fun times at Christmas and other holidays, Bush Lake, the cabin we went to in the summer of 1970 when Larry got jiggers and had to sit in a tomato juice bath!! Riding around in the back of auntie Joanie's station wagon going to "the houses" waiting in the car with Julie singing songs to the radio. Auntie Joanie giving my brother Nick a big turtle for Christmas around 1975. Coming over to your house on Rankin Rd. after the little scottie puppies were born. Your sweet mom always there making everyone food and watching Miss America. She was a wonderful person, a tough cookie and a great aunt. She was always interested in everything, always fun to talk to and good company. She was a loving sister to my mom, I like to think of them together in heaven where there is no sickness and pain and they are young again. I loved her and all of you. Love,*
